GULI WALLCOVERING – MERCURY

The design for Guli originates from Liesl Monath's Guli Mask woodblock print, inspired by her time in Nigeria and her fascination with African art and symbolism. Printed on a non-woven ground with dimensional lacquer ink, Guli highlights the raised stripe of crosses, adding subtle depth and tactile movement to the surface. Available in three colours: clay, zephyr, and mercury.

DETAILS

Pattern: Abstract

Colour: Mercury

Composition: 100% Non-Woven 3D Printed Wallpaper

Width: 68 cm / 26.8"
