LIESL LATTICE WALLCOVERING – ROSE MIST

The Vale London reimagined this print as a repeating lattice motif, translating the structured geometry of Liesl's handwork into a modern wallcovering. Liesl Lattice captures the balance of precision and artistry that defined her work, tactile, architectural and quietly expressive. Printed on a textured paperweave ground and available in four colours: truffle, indigo, fossil & rose mist.

DETAILS

Pattern: Organic

Colour: Rose Mist

Composition: 100% Non-Woven Printed Paper Weave

Width: 87 cm / 34.3"
