MENKAURE OUTDOOR – DUNE

Originally developed for interior upholstery and drapery, Menkaure is now printed on an outdoor-quality base cloth, taking the design onto terraces, pool decks and garden rooms. The large-scale geometric draws inspiration from the peaks of the Egyptian pyramids and the hieroglyphics carved within them. Available in Dune, Palm Beach and Twinkle. Also available as an indoor fabric.

DETAILS

Pattern: Outdoor, Geometric

Colour: Dune

Composition: 100% Polyester
