

Charlie

0924-FAB-CHACL-03 Claret

Introducing Charlie, an elegant addition to The Vale London's luxury upholstery collection. Crafted in Italy, Charlie offers a fresh take on traditional bouclé fabric. The wool incorporates bouclé yarns, softening the otherwise sharp geometric design to achieve a harmonious balance of texture and pattern.

With an impressive 52,000 Martindale rubs, Charlie is durable enough for high-traffic areas of the home. The fabric's two-tone design is available in four refined colour combinations. While keeping the weft yarns consistent in a luxurious cream tone, the warp colour is adjusted to create four beautiful colourways: Noir, Claret, Sky, and Olive. Choose Charlie for a blend of quality, durability, and timeless design.
