

Icarus 0125-FAB-ICOL-01 Olive

Simple, timeless and elegant, Icarus can also withstand the elements, crafted from 100% Trevira CS. Available in four exclusive and unique colours, Claret, Olive, Truffle & Sky.

Icarus offers remarkable durability and resilience, maintaining its integrity even under prolonged use and exposure to various environmental conditions. Another key feature is its UV resistance, allowing the textile to withstand significant sunlight exposure without degrading, fading, or losing strength, making it ideal for outdoor use. Additionally, Icarus possesses inherent flame retardant properties, ensuring lasting safety as the flame resistance is built into the fibre itself. Committed to sustainability, Icarus is produced with environmentally friendly processes and materials, including recycled content, aligning with the demand for eco-conscious textiles. Furthermore, Icarus is easy to care for, as it is machine washable and resistant to shrinkage, making it practical for everyday use. The combination of durability, UV resistance, flame retardancy, and easy maintenance ensures that Icarus retains its quality and appearance over time, offering long-lasting value. These superior qualities make Icarus ideal for a wide range of residential and commercial applications.

Pattern: Outdoor, Woven

Colour: Pine, Forest, Pristine, Sage, Olive, Fern, Green, Cream

Composition: 100% Trevira CS

Width: 140cm / 55.1"
