

Mini Deco 0124-FAB-MIDBL-02 Blueberry

Mini Deco emerges as a standout in textile innovation, blending László Moholy-Nagy's avant-garde legacy with Bauhaus functionality. Crafted from a sustainable mix of recycled polyester and cotton, this fabric is tailored for modern upholstery, merging aesthetic appeal with environmental responsibility. Mini Deco reflects Moholy-Nagy's geometric play and mastery of light and shadow, transforming these artistic explorations into a striking, practical fabric. It's a modern homage to Bauhaus's ethos of form meeting function, realised through eco-friendly production.

Incorporating recycled materials, Mini Deco not only elevates interior spaces with its design but also aligns with the imperative for sustainable living. This pattern represents a fusion of art, history, and green innovation, offering a sophisticated, environmentally conscious choice for contemporary upholstery. Mini Deco is an emblem of timeless design and modern sustainability, perfect for those looking to infuse their homes with a touch of design heritage while adhering to eco-conscious principles.
