Nell
0125-FAB-NEWH-02 Whipped Cream

A wide-width luxury sheer, designed to coordinate with the Maddox Collection, is available in two elegant colours: Truffle and Whipped Cream. What makes this textile truly special is its composition of 80% Linen and 20% recycled Polyester, ensuring durability without compromising on quality or sustainability. The recycled Polyester content also helps prevent shrinkage in humid climates. Additionally, Nell can be railroaded for seamless drapery in larger windows, providing a refined and cohesive look.
