## Northern Cross 0125-WP-NOROL-02 Olive

William Morris is credited with creating the first printed trellis wallpaper in 1864, inspired by his Arts & Crafts style home, The Red House in Kent. Drawing on these designs, Northern Cross presents a modern interpretation of a classic theme. Originally hand-painted in watercolour, the pattern is then digitally printed on grasscloth. It is available in three colours, Olive, Sky & Claret, to coordinate with the rest of the Maddox collection.
