

Pallone 0211-FAB-PAFO02 Forest

A stunningly detailed decorative fabric, Pallone is playful in character and adventurous in spirit. A delicate linen that's finished with a natural wax chintz, its shimmer comes in the form of gilded embroidery threads that are hand-spun in Belgium. Available in three soothing base colours, Pallone's print mirrors our Bagan wallcovering with its buoyant hot-air balloons floating over the temples of the ancient city.
